

Driver App - Login Process

09/10/2023 3:57 pm AEDT

To login to the Logmaster Mobile Application, enter your email address that you recieved your welcome email too and the password that you entered after following the link.

Make sure you don't have any capitals or spaces, as some devices add these into the email address field.

Welcome

Username and password are case sensitive.

LOGIN

FORGOT PASSWORD?

Logmaster Australia is an accredited regulatory tool and serves as a replacement for the mandatory paper written work diary issued by the National Heavy Vehicle Regulator. This mobile application is a data entry point of a larger web based compliance tool. You need an account to use this tool. Visit www.logmaster.com.au for more information.

Once you have completed this, click Login.

If you have previously been logged into other devices, you will see the following message.

Confirm

Other devices are already logged-in.
Do you want to force logout the other device(s)?

CANCEL OK

Click Ok and the other devices will be logged out, click Cancel to avoid the force logout process.

Note: You are only allowed to have one login session active at any time.
