If you have forgotten your password, go to the login page at <https://logmaster.au> and click the forgot password button below the login button.

The screenshot shows the Logmaster login interface. At the top, there is a logo consisting of a blue clock face with a white checkmark inside a circle, followed by the word "LOGMASTER" in white capital letters on a black background. Below the logo, there is a white form area with a light gray border. The form contains two input fields: "Username" and "Password". Below these fields is an orange "Log In" button. Underneath the "Log In" button is a link labeled "Forgot Password?" with a red arrow pointing to it from the left. At the bottom of the form, there is a line of text: "For any assistance with Logmaster please contact the office on (02) 7228 6269".

Enter your email in the email field and click submit.

The screenshot shows the "Forgot Password" page. At the top, there is the same Logmaster logo as in the previous screenshot. Below the logo, the text "Forgot Password" is centered in bold black font. Underneath, there is a white form area with a light gray border. The form contains a single input field labeled "Email". Below the input field are two buttons: an orange "Submit" button and a gray "Cancel" button.

You will receive an email, example below.
