Webfleet - Connected Fleet Setup

18/02/2025 9:25 am AEDT

- 1. Create/Register an account with Webfleet
- 2. Once an account is created, you should be provided with a username, password and an account name
- 3. Next, apply for webfleet.connect and obtain an API key
- 4. Navigate to Logmaster's portal
- 5. Navigate to Vehicles/Connected Fleet from the side menu
