

Linxio - Connected Fleets Setup

18/02/2025 9:26 am AEDT

1. Create/Register an account with [Linxio](#)
2. Once an account is created, you should be provided with a username, password.
3. Navigate to [Logmaster's portal](#)
4. Navigate to Vehicles/Connected Fleet from the side menu

The screenshot shows the Logmaster Business Dashboard. The side menu on the left has 'Connected Fleet' highlighted in blue. The main content area shows an 'Overview' section with three cards: 'Last 24 Hours Pre-Start Checks' (0), 'Last 24 Hours Fitness Declarations' (0), and 'Status' (280 Drivers, 81 Registered Vehicles). Below this is a 'Notifications' table with columns for event type, description, date, and time. A red arrow points to the 'Connected Fleet' menu item.
