## **Geotab - Connected Fleets Setup**

17/10/2024 10:45 am AEDT

- 1. Create/Register an account with Geotab
- 2. Once an account is created, navigate to the People/Users & Drivers side menu.
- 3. Create a new user account with the authentication type set to 'Service Account'
- 4. Save the new user account's email and password as they are needed in further steps.
- 5. Navigate to Logmaster's portal
- 6. Navigate to Vehicles/Connected Fleet from the side menu
