

Managing Vehicles By Site (All Sites)

11/04/2025 2:11 am AEST

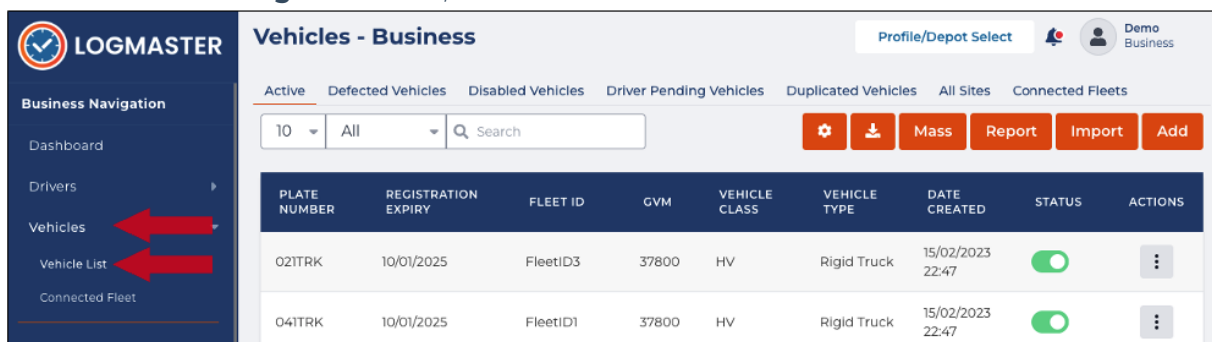

In this article, you will learn how to manage vehicles under the All Sites tab. The All Sites tab categorizes vehicles by location for ease of access. The sections below will walk you through each feature:

- [View Vehicles - All Sites](#)
- [Edit Vehicles - All Sites](#)
- [Move Vehicles - All Sites](#)

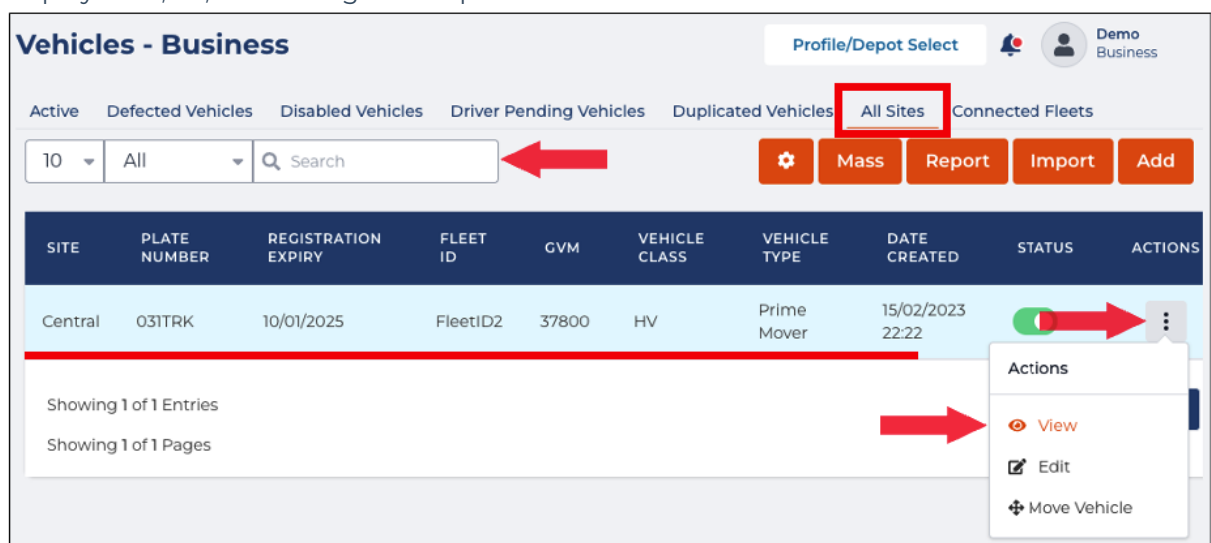

View Vehicles - All Sites

This section will guide you on accessing and viewing vehicles by location using the All Sites tab.

1. In the **Business Navigation Menu**, click **Vehicles** and select **Vehicles List**.

2. You will be directed to the **Vehicles - Business** page. When you access this page, the **Active** tab is open by default. Click the **All Sites** tab.
3. You can search/filter the list using the **Search** field to view the vehicle/site. You can set the list display to 10, 20, or 50 using the drop-down arrow beside the Search field.

4. Find the vehicle/site from the list and click its **Action** icon. The **Actions** menu will expand, select **View**.

- The **Vehicle Info** window will appear displaying the **Vehicle's** details. In this window, you can view the vehicle's information, and edit or delete it.

6. After updating the vehicle, click the **Submit** button to apply the changes.

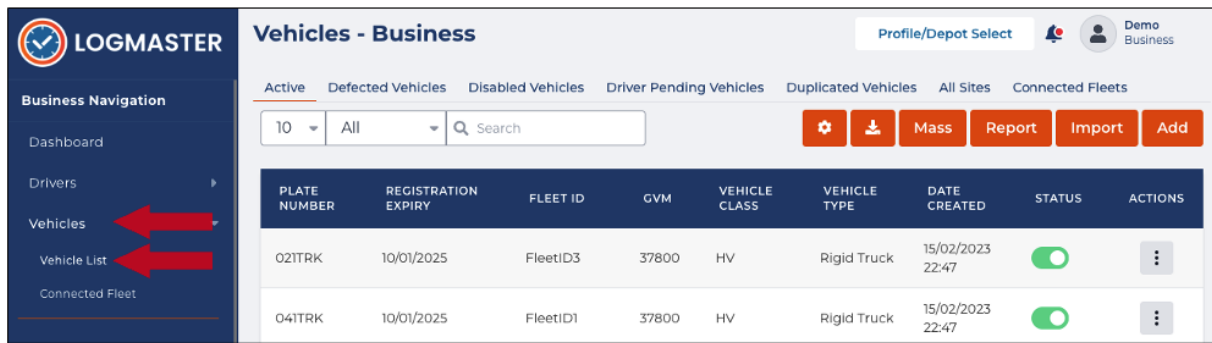

The screenshot shows a form with two input fields and a Submit button. The first field is labeled "Trailer SARN, Trailer Brake Control System Reference Number (Optional)". The second field is labeled "Comments (Optional)". A red arrow points from the "Comments (Optional)" field to the "Submit" button, which is a large orange button with the text "Submit" in white.

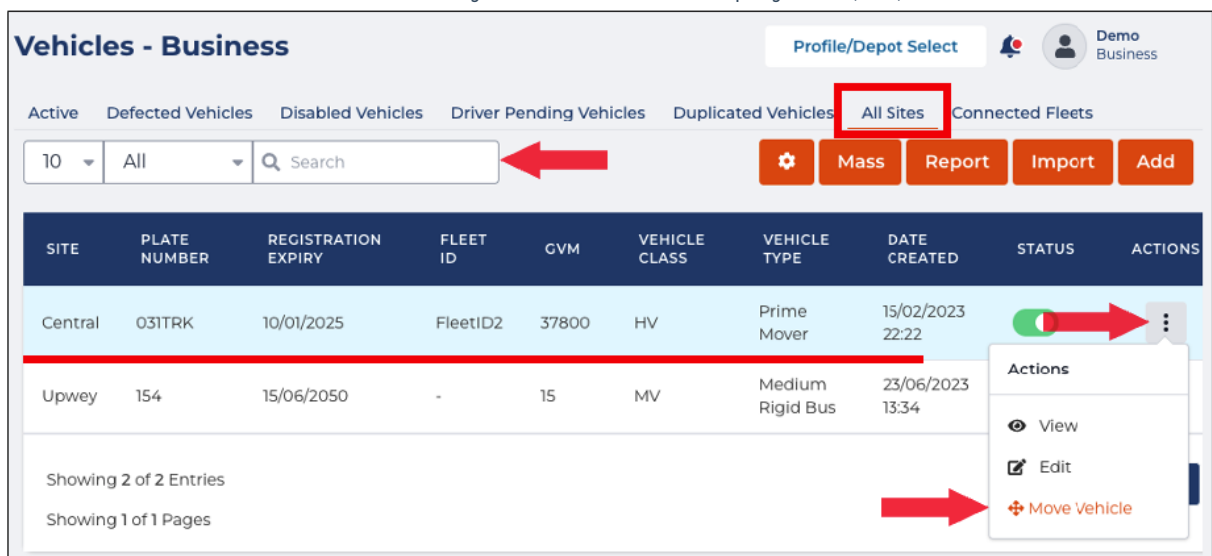

Move Vehicles - All Sites

This section will guide you on moving vehicles from one location to another using the All Sites tab.

1. In the **Business Navigation Menu**, click **Vehicles** and select **Vehicles List**.

- You will be directed to the **Vehicles - Business** page. When you access this page, the **Active** tab is open by default. Click the **All Sites** tab.
- The Search field allows you to **search/filter** the list to view the vehicles/sites. The drop-down arrow beside the Search field allows you to set the list display to 10, 20, or 50.

- Find the vehicle from the list and click its **Action** icon. The **Actions** menu will expand, select **Move**.
- A **Move Vehicle** dialog box will appear. Click the drop-down arrow to select the site to which you want to move the vehicle.

- Click the **Submit** button to continue moving the selected vehicle.
